Additional Supported Study Information

Almost all of our subject departments have a full range of resources available online via MS Teams. These can be easily accessed through the MS Teams App or through GLOW.

There is also an extensive online Easter School revision programme being offered by e-Sgoil. More information on these sessions and to book places on classes click on the following link [Easter Study Support | e-Sgoil](#) or scan the QR Code below. The e-Sgoil Easter Study Support programme is a key component of the National e-Learning Offer and provides live and interactive online webinars, delivered by experienced and fully GTCS-registered subject specialist teachers. The service is completely free for learners. Please ensure that you sign up to all of the e-Sgoil Easter Study webinars that you plan to attend as registration opens at the beginning of March 2024.
