## Your next chapter

As a leaver from Belmont Academy, we track your progress and destination beyond school. You might get a phone call or email from Skills Development Scotland Team or the school to check in and see how you are getting on in your chosen pathway.

### Plans can change...

For example, you may have chosen to start a college or university course, decided it wasn't for you and you move into employment. Please share any updates with us using the school email or phone number.
